

# Children's Safety Village Concentration Game

As a follow up activity, have your students play the memory game of concentration using the cards attached.

## **INSTRUCTIONS:**

There are 12 pairs of cards each with a picture of a road sign or another image related to the Children's Safety Village. Place all the cards face down on the table or floor. Taking turns, flip over a card and then try to find its match. If the cards match, keep that pair. If the cards do not match, they are both flipped back over face down and the play moves to the next person. The person with the most pairs, after all the cards are gone, wins!!
