

GRADE 2

www.csvbelleville.com

Key Concepts:

- There are many rules we need to follow to be safe while we're walking on the street and crossing the street.
- We need rules so that we all know what to do in certain situations.
- Always follow the five steps to crossing the street safely.
- Signs tell us what to do and allow us to travel safely.
- We obey all traffic signs.
- Understanding that we all share the roadway (cars, pedestrians, bicyclists) and that we all are required to follow the rules.
- There are rules we need to follow when riding in cars.
- Calling 911.
- Practice gives us confidence.
