

THE RULES ON THE BUS

(Sung to the tune of The Wheels on the Bus)

When we wait for the bus we're on the sidewalk,
On the sidewalk, on the sidewalk.

When we wait for the bus we're on the sidewalk,
All around the town.

Getting on the bus we take our turn,
Take our turn, take our turn.

Getting on the bus we take our turn,
All around the town.

The children on the bus stay in their seats,
Stay in their seats, stay in their seats.

The children on the bus stay in their seats,
All around the town.

Arms and heads stay in the bus,
Stay in the bus, stay in the bus,
Arms and heads stay in the bus,
All around the town.

The children on the bus talk quietly,
Quietly, quietly.
The children on the bus talk quietly,
All around the town.

The driver on the bus says listen to him,
Listen to him, listen to him.
The driver on the bus says listen to him,
All around the town.

Getting off the bus we take our turn,
Take our turn, take our turn.
Getting off the bus we take our turn,
All around the town.
